The Liquor Licence Board of Ontario

55 Lakeshore Boulevard East Toronto, Ontario M5E 1A4 January 31st, 1975

TO: HER HONOUR

The Lieutenant-Governor in Council Parliament Buildings Toronto, Ontario

MADAM:

I take pleasure in presenting this, the Twenty-Eighth Report of The Liquor Licence Board of Ontario, covering the fiscal year ending March 31st, 1974.

The Members of The Liquor Licence Board during this period were:

James P. Mackey, *Chairman* Thomas P. Gilday, *Member* Basil T. Clark, *Member*

During the fiscal year, the Board held the following meetings:

Annual Meetings at District Centres	15
Special Meetings at District Centres	29
Special Meetings at Head Office	155

As of March 31st, 1974, 4,285 licensed establishments were operating in the Province as follows:

Hotels
Taverns
Public Houses
Restaurants 44
Resorts
Recreational Facilities
Canteens
Social Clubs
Veterans Clubs
Fraternal Clubs 53
Labour Clubs
Military Mess
Steamships
Railways
Airlines 6
Theatres

Three hundred and fifty new establishments were licensed. These are indicated in Schedule I by the word "new" and were classified as follows:

Hotels	35
Taverns	247
Restaurants	13
Resorts	3
Recreational Facilities	2
Canteens	2
Social Clubs	19
Veterans Clubs	9
Fraternal Clubs	5
Labour Clubs	11
Military Mess	1
Airlines	1
Theatres	2

Seventy-one establishments were reclassified as follows:

- 1 Tavern was reclassified to Tavern (Summer)
- 1 Hotel (Summer) was reclassified to Hotel (All Year)
- 8 Restaurants were reclassified to Taverns
- 3 Taverns were reclassified to Hotels
- 2 Tayerns (Summer) were reclassified to Tayern (All Year)
- 54 Public Houses were reclassified to Taverns
- 1 Canteen was reclassified to Hotel
- 1 Resort was reclassified to Hotel

During the year, 166,924 Special Occasion Permits were issued.

The status of 17 Municipalities has changed from "dry" to "wet", in the period under review. During the same period 33 Municipalities have voted in favour of lounge or dining lounge or lounge and dining lounge licences. The number of "dry" Municipalities is now reduced to 167 out of some 884 Municipalities.

The Board has a staff of 102 Inspectors, inclusive of the Chief Inspector. Most of the Inspectors live in the licensing district to which they are assigned. As part of their duties, the district Inspector inspects each of the licensed premises in his district on a regular basis and makes a comprehensive inspection of the whole of the establishment. The Inspector is thus able to advise the licencee as to the condition of the premises and the conduct of the business carried on therein, and is responsible for forwarding reports to the Board in this regard. In addition to regular inspections, the Inspector makes "Spot" checks of each licensed establishment in his district at frequent intervals. There are also Inspectors assigned to Fire Protection, Sanitation and Special Investigation. All of our Inspectors work in conjunction with the local authorities, the Provincial Fire Marshal and the Ontario Provincial Police.

Through the Chief Inspector, the Inspection staff are informed as to their duties and responsibilities and of changes in Legislation and Policy in an endeavour to ensure uniformity of Inspection. A training programme has been established on an ongoing basis in an endeavour to further upgrade the system of inspection.

During the period under review, the amendments to The Liquor Licence Act and Regulations established two (2) new licensing classifications: –

- 1. "Canteen". Under this classification, the Board may issue a Dining Lounge Licence, Dining Room Licence, Lounge Licence or Public House Licence, to a wardroom, mess, cafeteria, dining area, common room or other room to which the public is not ordinarily admitted, situated in or on a base, station, camp, campus, institution such as hospital, rest home, convalescent home, home for the aged.
- 2. "Recreational Facility". Under this classification, the Board may issue a Dining Lounge Licence, Dining Room Licence or a Lounge Licence, to a golfing, skiing or curling facility.

Three licensed premises lost their licensing privileges for "cause" during the period under review. Fifty-one other premises either surrendered or did not renew their licence for various reasons, as set out in Schedule IV.

As a result of complaints from citizens, the police and our own Inspectors, twenty-two licences were suspended during the period under review for breaches of The Liquor Licence Act and Regulations.

The sum of \$1,799,397.54 was paid to the Provincial Treasurer in Transfer Fees.

As in previous years, the Board through its staff, is making every effort to ensure that licensed premises maintain and improve their standards. The Board feels it is essential that the character, fitness and financial responsibilities of an applicant is such as to assure that the business will be operated in a manner that complies with all provisions of the law, its intent and purpose.

There continues to be an increasing number of applications for the issue of new licences and every effort is being made to adequately serve those who qualify.

I would like to express my thanks to the Minister for her assistance, the Board Members, the Registrar and all the employees of the Board for their dedication and effort.

Again, it is my privilege to have served you and your Government, Your Honour.

Respectfully submitted,

JAMES P. MACKEY, Chairman
